

CALL n. 01/2020

SELECTIVE PROCESS FOR VISITING PROFESSORS, GRADUATE PROGRAM OF
PHILOSOPHY 2021

The Graduate Program of Philosophy (PPGF) calls for applications for positions of Visiting Professors, according to the Public Call PV n. 001/2020 – PRPPG/UFBA, “Simplified Selection Process for the Hiring of Visiting Professors 2021”, available in at the PROPG/UFBA site, accessible via the following link (in English):

http://www.propg.ufba.br/sites/propg.ufba.br/files/edital_pv_001_2020_propg_ufba_ingles_1.pdf.

Applications should be submitted by sending the documentation specified below exclusively to the e-mail: secretariappgf@ufba.br with the following email subject “EDITAL PV 2021 – PPGF” until January 31st 2021 according to the chronogram below.

- 1) Personal documents required by the Public Call PV n. 001/2020 – PRPPG/UFBA;
- 2) Work plan (maximum of 10 pages) specifying the academic and scientific activities to be performed at the Graduate Program. The plan should contain an abstract (maximum of 300 words) and three keywords;
- 3) Candidate’s CV in pdf form, and, if the candidate has a profile in the Lattes Platform, their Lattes CV;

Contracts range from one to two years for Brazilian researchers, and from one to four years for international researchers, subjected to annual renewal. The Visiting Professors’ salary is equivalent to the permanent faculty’s, according to a recommended equivalence of seniority.

Will be prioritized the candidates who have a senior visiting profile, with high scientific production, with professional and substantial advising experience at the graduate level, who are able to effectively contribute for the development of the scientific production of the research groups of this Graduate Program, who can contribute for the formation of human resources and of collaborative networks extending beyond UFBA, allowing for joint action proposals that result in scientific and academic production.

In order to compete, candidates must exhibit relevant scientific production and advising experience compatible with the criteria used by the PPGF for being a permanent faculty member.

The collegiate board of the PPGF will form an external committee composed of researchers highly appraised by the national academic community representing the different research lines of the PPGF in order to provide well-informed opinions on the applicants. The final decision by the collegiate board of the PPGF will be based on the opinions of that external committee.
